CROSSROADS COLLEGE PREP STUDENTS MAKE A DIFFERENCE

St. Louis, MO, December 17, 2009- Crossroads College Preparatory School students and faculty will roll up their sleeves to make a difference in the community on Friday, December 18, 2009 for the Crossroads College Preparatory School All School Community Service Day.

Students and faculty will work with agencies, educational centers, organizations, and institutions in the St. Louis community such as Southside Day Nursery, St. Patrick's Center, The Scholar Shop, and Herbert Hoover Boys and Girls Club. The goal is to provide students and faculty the opportunity to have an impact upon the community by providing practical support through service projects.

Crossroads College Preparatory School offers an academically challenging curriculum to a diverse and inclusive community of students in grades seven through twelve.

Crossroads College Prep encourages its students to engage their imaginations in every endeavor, ranging from the sciences to the fine arts, and strives to develop respectful citizens, who apply scholarship, imagination, and critical thinking to civic and social responsibility in their communities and beyond.
